Booking a Course

A completed registration form with a valid customer purchase order number is required from each attendee and courses are run subject to availability. Where courses are over-subscribed KOREC will endeavour to provide alternative dates. It is recommended that you apply for your preferred course as early as possible to ensure availability. Course schedules and availability are normally confirmed ten business days before the published date.

Listed course fees exclude VAT. KOREC will issue an invoice upon receipt of your completed Registration Form and Customer purchase order number where applicable. Alternatively please call our Training Department on 01 456 4702 to arrange payment by credit card or BACS.

Payment is due upon receipt of the invoice, and should be received by KOREC 14 business days in advance of the course date. Payment is due immediately should the booking be made within 14 days of the course date.

Cancellation

Cancellation fees apply if a registration is cancelled (or transferred) less than 10 business days before the course start date. Full tuition fees will be charged to attendees who cancel within 10 days of the course or those who fail to arrive for the course.
